

# ARTY VAN GOGH

Arty Van Gogh provides engaging, high quality creative learning opportunities for children and youth! Students will experience, learn from, and appreciate the world's rich history of ideas, cultures and imagination. Field trips and Aftercare programs reinforce Florida Standards and address the needs and abilities of all students.

Single Sessions are customized for grade levels and include all materials and supplies. Single sessions include painting, crafts and various recycled art projects.

## MOBILE ART STUDIO [www.tropicalheatwave.com](http://www.tropicalheatwave.com)

Multiple sessions are customized for in depth connections. Students will create individual projects through a variety of instructional activities that will provide them with the skills and content needed to be successful on the larger project. These sessions include Masterpiece Murals and Puppet Play!

Sessions are 2 hours in length and can be divided into 3 groups to accommodate up to 60 students!

**Cost: \$400 for a 2 hour session**
